

Become a Panelist on the National Panel of New Principals

A Highly Influential Group

The National Panel of New Principals is the only program of its kind that is dedicated to elementary and middle-level principals in the first or second year of their principalship.

As a panelist you'll gain insights into how your experience compares with your peers throughout the nation and the resources and strategies that are proving most useful in areas ranging from instructional leadership to technology, parent engagement and more.

At the same time you'll impact the big picture. Panelists help to ensure that national policymakers and education leaders understand the "real" new principal experience so they can develop policies and professional development support that will truly make a difference.

It's the Best Hour You'll Spend all Year

Six times during the school year, panelists are invited via email to answer a few brief online questions. **The total time commitment for the entire school year is under one hour! (Less than 10 minutes per survey.)**

Participants in the surveys receive:

- the popular *Rise & Shine* brief, summarizing the results of each survey, and highlighting panelists' best ideas
- a special thank you gift from NAESP or one of our sponsors

Plus, panelists:

- are recognized by NAESP in its award-winning *Principal* magazine, online publications and websites for their innovative approaches
- gain access to NAESP's team of nationally certified mentors to ask one-on-one questions
- receive a personalized National Panelist certificate to display in their office

"I loved being able to give my feedback, and to see the feedback of others. It let me know that I was on the right track as a new principal, as well as giving me new ideas."
